MARCH REPORT

Rotaractor's Day Out: Summary of the project:

- * Club Service
- * 05.03.17, Sangam & Meke Daatu, Kanakpura
- * Off to goats leap
- * Organised by the Office Bearers of RCSM, Sponsored by Shishu Mandir Education Centre

- * Stand Alone project

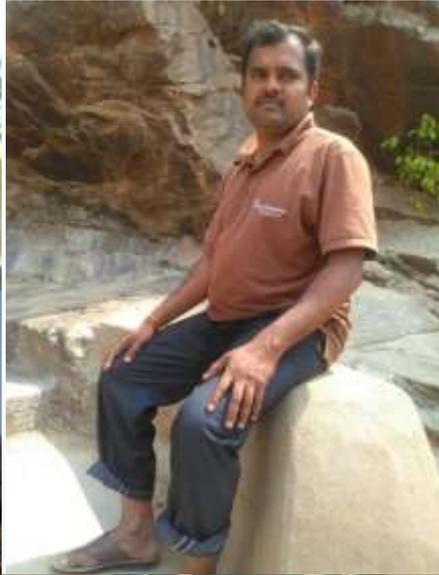

On the 6th of March all the Rotaractors(girls) along with Raghu Sir, Rajkumar Sir and Sunitha Ma'am had been to Mekedaatu. But it all started on 5th of March when all the Rotaractors came to School in the evening all their things and all were excited to spend that night in School. In the evening all got together and made some quilling earrings. Then we had dinner together and made our way up the room then it was time to sleep because the next morning we had to be up early at 4O'Clock. Due to excitement nobody hardly shut their eyes.

At last , next morning arrived and it was time to board the bus, we had a long Journey. Everybody in the bus were entertained by our graet dancers dancing and having fun in the bus. We stopped for tea and coffee and made our journey until we reached Sangam. Here we prepared breakfast everybody had, then we all crossed the shallow water to the other side of the river from there we planned to trek our way to Mekedaatu. But the people told that it was prohibited. So we board the bus that would take us to Mekedaatu. We finally reached and WOW!! What a sight... our eyes could only see gigantic rocks popping out of the surface of the ground. We climbed down the stairs and saw the big rocks and below in the depth the river could be seen flowing. After that we got back and had lunch. Then later was the most awaiting thing...”PLAYING IN THE RIVER”. All of them and fun in the water playing kabadi and dancing. After all this fun we got back into the bus and all were exhausted slumped back into the seats, we started our journey back to Bangalore and after a while nothing could dampen the dancers spirits however tired they were. Dancing in the van resumed.

Overall it was an enjoyable day. This was the first and the best outing that the Rotaractors had. We had a great time altogether.

We celebrated the birthday of our rotaractors dated from December to March. We also had a meeting with Anand Sir(Director of Shishu Mandir) and Rtn. Manoj Kabre(Rotary Bangalore Whitefield Central) who motivated us about as how the upcoming projects should be organized, to take a step further in inviting other Rotaract Clubs, doing joint projects. It was indeed a inspiring talk by Rtn. Manoj Kabre. Manoj Sir connected us to Mrs. Jyoti Thyagarajan who is one of the trustee of **Meghshala**. We also had a meeting with the facilitators of Meghashala. We are around 10 members who are willing to be a part of Meghshala in facilitating the government school teachers in implementing E-Learning. It is a wonderful opportunity which we wouldn't miss. Thank you Manoj Sir for connecting us with Meghshala.
