## FAREWELL PARTY

- Club Service
- 9<sup>th</sup> July 2016, Shishu Mnadir Community College
- Farewell for three of our Club rotaractors
- By Caroline and Cynthia
- 20 Rotaractors
- Stand Alone Project

## SUMMARY OF THE PROJECT

*The Secretary (Cynthia) honored the President (Caroline) by putting the collar, followed by the welcome speech by President of RCSM. Our Rotaractors Pravalika, Princy Roselin and Varalakshmi will not be able to continue as a rotaractor because they will be staying in hostel while pursuing their higher education in the outskirts of Bangalore. We gave them a "Certificate of Appreciation" along with a photo frame made by our school children (Paperwala). We also asked one of them to share their experience being in the Rotaract Club.*

*Delicious refreshments (Egg and Veg-Puff along with soft Drinks) were served. We thank Shishu Mandir for sponsoring the refreshments.*

## SESSION ON INTERVIEW SKILLS

- Professional Service
- 15<sup>th</sup> July, 2016, Shishu Mandir Community College
- To overcome stage fear
- By Ms. Deepika
- 15 Rotaractors, 1 Guest
- Stand Alone Project

## SUMMARY OF THE PROJECT

*Ms Deepika gave us many tips to face interview. Session started at 3:00pm. She conducted mock interviews to every individual and gave feedback about our area to be improved. As our batch of students included 1 PUC & 2 PUC she also conducted extempore for them to overcome their stage fear. After our education building our career is important, so to start with our career we need to give our best to crack the interviews. This session gave us many important tips to face interview like how to have good body language, communication skills, tackling questions, usage of fillers etc. Session ended at 5pm with refreshments (Samosa). We thank Shishu Mandir for sponsoring the refreshments. We are really thankful to Rtn Manoj Kabre for referencing us with Deepika Ma'am.*

*This is her second visit to Shishu Mandir. We also won an award for professional service under community based club for "session on intellectual Skills" by Deepika Ma'am.*
